Dear Family and Friends,

Each year we try to come up with ways of raising funds to support our band program. In the past, we have sold items through the year, held events, and performed services in the community, just to mention a few. The money that we raise benefits the entire Nixa Band Program for our current students, and years to come.

This year is a special one for our band program, as it is our semi-annual trip year. We have the substantial goal of not only continuing to support our entire band program, but sending the Marching Band to Hawaii. Our marching show this year is called "At Dawn They Slept" and it tells the story, through our music, choreographed performance, and special effects about the important event in the history of U.S. of Pearl Harbor. The Marching Band is learning about Pearl Harbor, the people it affected, and the uniting of our nation to recover. Our trip will include a performance of "At Dawn They Slept" standing next to the USS Missouri in May 2009. As our Director, Mr. Craig Finger likes to say, "There is something to be said for playing beautiful music in a beautiful place."

We are very proud of our Band Program, its student participants, and our Directors. Although our Band Program is funded in part by the Nixa School system, it does not cover all the additional expenses of our marching competitions, events held for the students and parents, special performances including our performance at Pearl Harbor, and other things we like to do to make our program meaningful.

Therefore, we are simply asking our family, friends, and associates to make a donation to help to support our Band Program. If you would like to help us, please fill out the information below, and place it with your donation in the enclosed addressed and stamped envelope and mail it! Please do not forget to put my name on the form, as it will be counted towards my account for our trip to Hawaii.

Thank you for your support of me, and the Nixa Band Program. I hope you have the opportunity to come out and see us play!

Sincerely,

The Nixa Band Boosters and Band Program Students
